\*work should be rolled or folded to ship and hand pressed upon arrival. If needed, professionally clean.

## DESIRE NO. 3, COL. CONDESA

### SPECS

Width	56.7"	144 cm
Height	82.7"	210 cm
Weight	11 lb	5 kg

Col. Condesa is the third weaving in a series of eight that documents the destruction of architectural sites in the Centro area of Mexico City. As a whole, the project forms an abstract map of the city that's disappearing due to the destructive application(s) of desire, gentrification and corporate greed. It is concerned with the preservation of cultural memory and with architectural space as a home for linguistic and historical encounters.

Handwoven wool textile.
